***TRUE DELIVERANCE CHRISTIAN SCHOOL
MISSION STATEMENT***

We believe in the mission of JESUS CHRIST as proclaimed by the Apostolic Church. We aim to educate students in a Safe, nurturing, Christian atmosphere so that they will grow to have a dedication to serve GOD and His people.

We aim to provide a bond of mutual respect and trust between administration, teacher, student, and parent, in order to create an effective learning situation. While keeping in line with the educational guidelines and standards we seek to foster multiple learning styles, critical thinking, and decision making skills using innovative methods and technologies.

We too endeavor to develop life long learners that will have the ability to contribute to society.

A STATEMENT OF SCHOOL POLICY

True Deliverance Christian School admits student of any race, color, or ethnic origin, to all rights, privileges, programs, and activities generally accorded or made available to students at the school.

True Deliverance Christian School does not discriminate on the basis of race color, national or ethnic origin in the administration of educational policies, loan programs, and athletic or other administered programs.

TRUE DELIVERANCE CHRISTIAN SCHOOL PHILOSOPHY

GOD places the responsibility of educating children in the home. *Educating children without the cooperation of the parents is unscriptural* and endangers the souls of those most precious to us. The Bible declares that, "The fear of the Lord is the beginning of wisdom..." Without reverence for God the whole child is not educated. Many Old Testament scriptures give us light on teaching, training, and educating our children. (Duet. 6:7; 11:19, Psalm 111:10) Children should be educated where scriptural principles are in evidence as a lifestyle. What is taught in our Christian school must be reinforced at all times outside of the Christian School.

Christian education should be experienced in every place and at all times. True Deliverance Christian School is your partner in the education of your children. Our goal is to carefully educate your child in the principal of Christian leadership, self-discipline, individual responsibility, personal integrity, and good citizenship.

The True Deliverance Christian School faculty and staff are committed to academic and moral excellence in a Christ-centered atmosphere. It is our prayer that all things be done to honor and glorify our Lord Jesus Christ.

TRUE DELIVERANCE CHRISTIAN SCHOOL

PURPOSE

This school was created for the purpose of aiding the home and society in creating life long learners that will have the ability to contribute to society with a Christian/ Apostolic background. To work collaboratively with the home to forge understandings rooted in set values and to support the parent-teacher-student relationship Teach young people to shun the very appearance of sin. As we teach with technology, books and by mouth we must teach by example.

STATEMENT OF FAITH

The school of True Deliverance believes the old and new testament to be God's divine instruction for mankind.

We believe that all scripture is given by the inspiration of God and is profitable for doctrine and instruction on righteousness.

We believe that God became flesh in the form of man in order to fulfill the great plan of redemption.

We believe the only grounds upon which God will accept a sinner is repentance from the heart for the sin the man has committed.

We believe in a Holy Spirit-filled life with signs following; the in-filling of the Holy Spirit with the evidence of speaking in tongues as God gives utterance.

We believe that Jesus Christ will return to receive His Church. All those in righteousness shall be caught up to meet Him in the air and so shall we ever be with the Lord.
